Draft resolution submitted by the Vice-Chairman of the Committee, Mr. Daúl Matute (Peru), on the basis of informal consultations held on draft resolution A/C.2/54/L.6

Cooperation between the United Nations and the Southern African Development Community

The General Assembly,

Reaffirming its resolution 37/248 of 21 December 1982 and all other relevant General Assembly resolutions on the promotion of cooperation between the United Nations and the Southern African Development Community,

Commending States members of the Community for demonstrating continued commitment to deeper and more formal arrangements for cooperation among themselves towards regional integration,

Noting the signing of Community protocols on wildlife conservation and law enforcement, and on health, and the establishment of the Association of Southern African Development Community National Chambers of Commerce, as well as a declaration on productivity as further steps towards enhancing regional cooperation,

Recognizing the strengthening of democratic governance and other positive developments, including the consolidation of the peace, the enhancement of democracy and the respect for the rule of law in the region, through the creation of institutions to further regional integration, such as the Parliamentary Forum, the Electoral Forum and the Lawyers Association of the Southern African Development Community,

Reaffirming that the successful implementation of the development programmes of the Community can be achieved only if the Community has adequate resources at its disposal,

99-36273 (E) 261199

Noting that the effects of armed conflicts, resulting in loss of life and destruction of economic and social infrastructures in southern Africa, demand the continuation and strengthening of rehabilitation and reconstruction programmes to regenerate the economies of the countries of the region,

Welcoming the Community's efforts to make southern Africa a landmine-free zone,

Noting with grave concern that adverse weather conditions have created a regional cereal deficit in 1999-2000, with a risk of increased poverty, in particular in rural areas,

Recognizing the valuable and effective economic and financial contribution that some organs, organizations and bodies of the United Nations system and the international community have made to complementing national and subregional efforts to advance the process of democratization, rehabilitation and development in southern Africa,

Reiterating that the primary cause of the present situation in Angola is the failure of the União Nacional para a Independência Total de Angola, under the leadership of Jonas Savimbi, to comply with its obligations under the "Acordos de Paz",[1] the Lusaka Protocol[2] and relevant resolutions of the Security Council,

Expressing its grave concern at the serious deterioration of an already dire humanitarian situation in Angola caused by the current situation in the country, which is also hampering efforts towards economic rehabilitation and national reconstruction as well as regional development projects,

Expressing satisfaction over the initiatives to bring peace to the Democratic Republic of the Congo, launched by the Community under the leadership of President F. J. T. Chiluba of Zambia, in collaboration with the Organization of African Unity, the United Nations and other entities,

Welcoming with satisfaction the signing of the Lusaka Ceasefire Agreement[3] by all parties involved in the conflict in the Democratic Republic of the Congo as a step forward towards a durable peace in that country,

Noting with concern the region's high prevalence rates of human immunodeficiency virus/acquired immunodeficiency syndrome (HIV/AIDS), which have far-reaching social and economic consequences,

Reaffirming the recognition of the important role that women play in the development of the region,

1. *Takes note* of the report of the Secretary-General;[4]

2. *Expresses its appreciation* to the international community for the financial, technical and material support given to the Southern African Development Community;
